❖ PROFILE

Having a background in the arts and refined management skills, I'm able to merge creativity and discipline with coding. My previous education and experiences enable me to acknowledge business core values and prioritize specific tasks, but also to emphasize aesthetics and visual design at the same time.

PROFESSIONAL EXPERIENCE

Full Stack Web Developer (Web Development Immersive) 2017

- General Assembly

12-week long training program dedicated to prepare students to think like engineers and approach problems creatively in order to build the next generation of web applications and digital products.

Restaurant General Manager (GM) 2012 - 2017

- Juice Press - New York, NY.

- L'Artisan - Boynton Beach, FL (Owner/Entrepreneur).

- The Cheese Course - Boca Raton, FL.

As a Restaurant General Manager, my tasks were: financial monitoring and reporting; the evaluation and audit of operations in order to improve productivity and quality; staff hiring, training and scheduling; placing restaurant orders and taking inventories; ensuring staff compliance with policy and procedures.

Flight Operations Coordinator 2006 - 2012

- Ryanair LTD - Fuerteventura, Las Palmas (Spain).

As an Airline Operations Coordinator, I managed all flight information with a high degree of accuracy. In charge of customer service supervision, ensuring staff compliance with policy and procedures of the company, and staff training and scheduling. I had the responsibility of processing load sheets for Boeing 737 800 (Ryanair Fleet), providing detailed reports of flight databases, and managing confidential information for all flight operations out of the airline base in Fuerteventura, Spain.
