Profile
Having a background in the arts and refined management skills, I'm able to merge creativity and discipline with coding. My previous education and experiences enable me to acknowledge business core values and prioritize specific tasks, but also to emphasize aesthetics and visual design at the same time.

Skills
**HTML - CSS - JAVASCRIPT - RUBY - EXPRESS.JS - NODE.JS - SQL - RAILS - JQUERY AJAX/APIs
POSTGRESQL - SINATRA - JSON - REACT - GIT/GITHUB - HEROKU - MICROSOFT OFFICE - VISUAL ARTS
FRONT/END BACK/END DEVELOPMENT - MANAGEMENT - DEBUGGING- ES6 - BILINGUAL ENGLISH / SPANISH**

PROFESSIONAL EXPERIENCE

- Full Stack Web Developer (Web Development Immersive) 2017

- ***General Assembly. New York, NY***

Training program dedicated to prepare students to think like engineers and approach problems creatively in order to build the next generation of web applications and digital products.

Projects

- **Postrip**   https://github.com/danilomarichal/postrip

Express.js app that allows users to post pictures and share travel experiences. Front-end uses HTML, CSS, JavaScript, jquery and an Ajax call to integrate a real-time National Geographic News API. PostgreSQL as database and utilize packages: Multer (image uploader), Bcrypt Salt (passwords/security), Express-session and Mustache-express.

- **What's going on** https://github.com/danilomarichal/project3/tree/master/wdi_project_3 **(Group project. Section Donate)**

Ruby on Rails app (Section Donate) helps users to find non-profit organizations and make donations. It uses Bootstrap to style, postgreSQL database and gems like HTTParty to integrate third party APIs.

- **Finadvisor** https://github.com/danilomarichal/finacial_advisor

CRUD app that helps users to calculate expenses, mortgage rates and find their best investment profile. Built on Express.js, Utilizes HTML, CSS, JavaScript, jquery and Ajax to integrate API. PostgreSQL as database and utilize packages: Bcrypt Salt (passwords/security), Express-session and Mustache-express.

- Restaurant General Manager (GM) 2012 - 2017

- ***Juice Press - New York, NY. / L'Artisan - Boynton Beach, FL (Owner/Entrepreneur) / The Cheese Course - Boca Raton, FL.***

As a Restaurant General Manager, my tasks were: financial monitoring and reporting; the evaluation and audit of operations in order to improve productivity and quality; staff hiring, training and scheduling; placing restaurant orders and taking inventories; ensuring staff compliance with policy and procedures.

- Flight Operations Coordinator 2006 - 2012

- ***Ryanair LTD - Fuerteventura, Las Palmas (Spain).***

 As an Airline Operations Coordinator, I managed all flight information with a high degree of accuracy.
Was in charge of customer service supervision, ensuring staff compliance with policy and procedures of the company, and staff training and scheduling. I was responsible of processing load sheets for Boeing 737 800 (Ryanair Fleet), providing detailed reports of flight databases, and managing confidential information for all flight operations out of the airline base in Fuerteventura.

<u>EDUCATION</u>
